ABOUT US

Panoram Hotel Management is a third-party hotel operator company, a pioneer in Spain due to its commitment to the franchise model and its relationship with international brands. Founded in 1989 by Antonio Pérez Gil, we have more than 30 years of history, with experience in different operating models, in the first stage in ownership and leasing and since 2018, specializing in management and franchise, to guarantee maximum profitability to customers. investors in its hotel assets.

Since signing our first franchise in 2010, we have continued to evolve and expand our knowledge of multi-brand hotel management, incorporating various models. In this new stage, we want to become the reference partner for hoteliers, investors and national and international brands seeking to optimize their investments.

WHAT DO
WE DO

◆ WHAT DO WE DO

OUR
MODEL

At **Panoram Hotel Management** we understand the different roles within the hotel sector and as **specialists in hotel business management**, we give the best response to the needs and demands of both owners/investors, seeking maximum profitability, and the different brands, ensuring their consistency to their standards. All this, always focusing on **the best experience for the guest**, the true protagonist of the hotel business.

01. Hotel Management

Team specialized in management of hotel assets working with different brands, always looking for maximum profitability.

02. Search for opportunities

The deep knowledge of the hotel market and our close relationship with the hotel industry different players allows Panoram Hotel Management to select the most appropriate alternatives for each project.

03. Launch of projects

We support owners in initial stages to create and develop a hotel project that allows him to obtain the highest return on his investment.

04. Renewal and enhancement of assets

We are specialists in finding the best option to revalue a hotel asset and carry out the necessary changes to give value to a property facing a new stage or a future sale.

05. Temporary support

in situations of uncertainty such as restructuring, reorganization or brand change process, we provide support to owners in specific periods easing the way and overcoming these temporary circumstances.

WHY PANORAM

◆ WHY PANORAM

Panoram offers significant **advantages to the owner**

01. Term

With an average length of 5 years, Panoram **adapts the terms** of its contract to the investor's needs, with contracts of **varying duration**.

02. Termination rights

To ensure **maximum return on investment** and **generate confidence** in our work, we offer an **owner-friendly approach** to establishing the **exit terms** of our contract, which increases the liquidity of the asset versus other types of management contracts.

03. Management structure

Panoram is **directly involved in the hotel's operations**, providing a horizontal structure that directly services the hotel's on-the-ground-teams, which **saves costs** associated with setting up and maintaining a central service structure

04. Owner control over the asset

We supervise and have control of the hotel **on behalf of the owner**, whilst the **owner still retains full control** of the real estate and the business, since as manager, Panoram's powers are limited.

05. Fees structure

Panoram's compensation is **directly linked to certain KPIs** and therefore to the **success of the business**.

◆ WHY PANORAM

Panoram's core business involves **hotel operation under management agreements**

Panoram operates **19 hotels (3 secured pipeline)** in all segments, from **economy to luxury**

OVERVIEW

01.

Progressive increase in our activities

Since 2018, Panoram has tripled the number of hotels and rooms in its portfolio, becoming the reference company in Spain in management contracts.

02.

We operate in several international markets

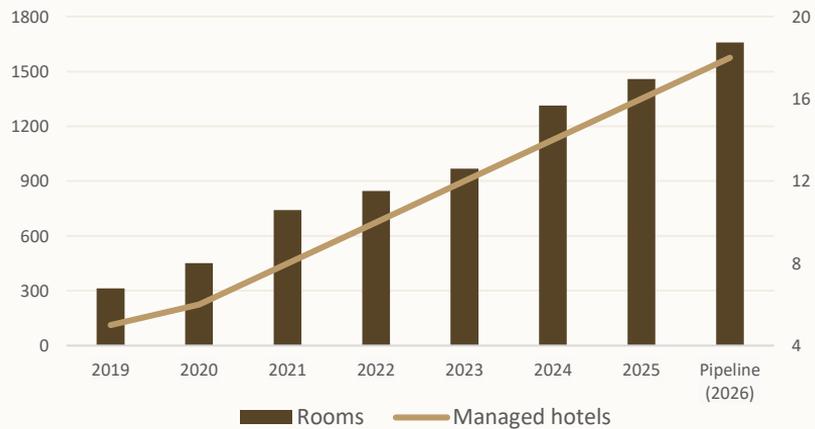

In 2022, Panoram made the leap to the international market by incorporating its first management contract in Italy. This asset is also the first luxury hotel in the portfolio. With this addition, Panoram demonstrates its ability to manage hotels in all segments, from economy to luxury.

03.

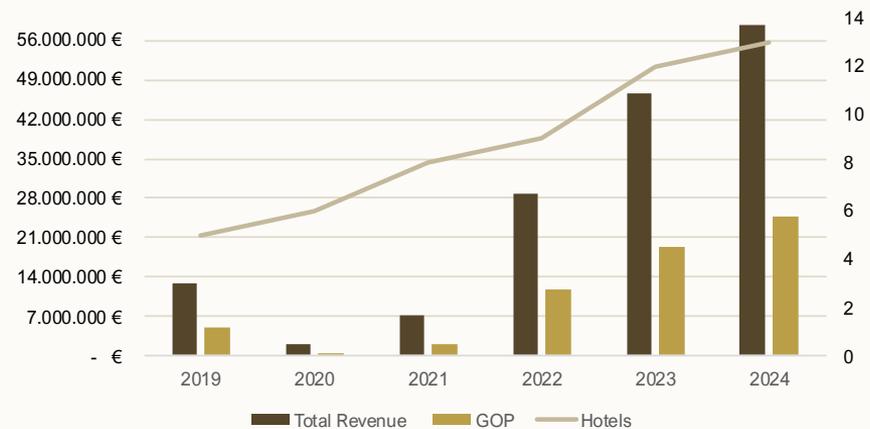

Revenue +65M€ GOP cumulated +40%

The hotels managed by Panoram will reach +€65M in revenue by the end of 2025, obtaining a cumulative GOP of +40%.

◆ WHY PANORAM

In **May 2023**, PHM began managing the **Palazzo Castri 1874 Hotel**, a **59-room hotel** in central **Florence**.

Opened in 2015, the hotel has been managed directly by the owner company. When Panoram took over the asset, it focused on **optimizing the hotel's total revenue** by setting several business actions focused mainly on revenue management.

In just **two years**, Panoram managed to increase the **hotel's revenue by more than two million euros**. At the same time, through strict cost control, the **hotel's GOP has grown by 10 points** over 2022.

◆ WHY PANORAM

Compared to its competitors, while the RevPar of the city of Florence increased +2.5% year-on-year (Upper Upscale -4.2%), the RevPar of Palazzo Castrì 1874 increased +27.7%.

As a result, the hotel's market share increased - month-on-month - recording an increase in RGI of +43% compared to its compset.
